III. Pursuant to cited authority, and effective April 15, 2007, the DLA Logistics Operations and Readiness (J-3/4) is established from the existing missions, functions, personnel, and resources from the DLA Logistics Operations (J-3) and the DLA Customer Operations and Readiness (J-4). J-3/4 is responsible for maintaining the end-to-end supply chain management of DLA's eight supply chains; providing logistics and materiel process management policy, guidance, and oversight; and monitoring supply chain performance. J-4 and all subordinate offices are disestablished and/or realigned to J-3/4 as follows:

A. Customer Operations and Readiness (J-31) is established and aligned under J-3/4. The missions, functions, personnel, and resources related to the Customer Support Office, and the DLA Logistics Operations Center from J-4, are realigned and established under J-31. The missions, functions, personnel, and resources related to DLA Regional Commanders are under Operational Control (OPCON) of J-31. The following subordinate offices to J-31 are established and/or realigned from J-4 as follows:

1. DLA Europe (DLA-E), DLA Pacific (DLA-P), and DLA Central (DLA-C) – OPCON
2. The DLA Joint Logistics Operations Center (JLOC)
3. Customer Support Office (J-31/CSO)
4. Customer Support Office Staff Group (J-31/CSO-C)
5. Army Team (J-31/CSO-A)
6. Air Force Team (J-31/CSO-F)
7. Homeland Security and Foreign Military Sales Team (J-31/CSO-H/I)
8. Marine Corps Team (J-31/CSO-M)
9. Navy Team (J-31/CSO-N)
10. Policy, Programs, and Requirements Division (J-312)
11. Customer Relationship Management (CRM) Analytics Team (J-3121)
12. CRM Customer Outreach Team (J-3122)

13. CRM Change Management Team (J-3123)
14. Opportunity and Account Management Team (J-3124)
15. CRM Services Process Team (J-3125)
16. Critical Infrastructure Protection Program Office (J-319)

B. The missions, function, personnel, and resources from the Policy, Plans, and Requirements (J-42) and subordinate offices are realigned to J-312.

C. The mission, functions, personnel, and resources from the Critical Infrastructure Protection Program Office (J-49) are realigned to J-319.

D. The Acquisition, Technical, and Supply Directorate (J-33) is renamed Materiel Process Management (J-33) and aligned under J-3/4.

E. The Operational Architecture and Integration Division (J-351) is renamed Business Planning, Architecture, and Administration Division (J-351). The missions, functions, personnel, and resources from Strategic Support (J-48) are realigned to J-351.

F. The Resources and Requirements Division (J-352) is renamed Logistics Requirements Integration Division (J-352).

G. The Plans, Assessments, and Integration Division (J-353) is renamed Analysis, Readiness, and Performance Assessment Division. The missions, functions, personnel, and resources from Performance Assessment and Readiness (J-43) are realigned to J-353.

H. The end-to-end Supply Chain Integration (J-354) is renamed Supply Chain Integration and Management Division (J-354).

I. The Operations Research Division (J-355) is disestablished. The missions, functions, personnel, and resources in support of J-355 are realigned to J-353.

J. The Base Realignment and Closure (BRAC) Implementation Office (J-39) is established.

IV. Administrative services and support will be provided by Headquarters, DLA organizations as appropriate.
